

BOXING IT UP FOR YOU

Ordering Vacation Essentials™ Boxes is easy. A minimum order of one case is all that is needed to place an order. Our pricing is straightforward—the more you order, the lower your cost per Vacation Essentials™ Box. For orders over 250, you will receive a customized tag featuring your company name at no additional cost; smaller orders come with tags for you to personalize yourself. Plus there is no charge for handling. Please see our insert to learn about our pricing options and savings.

GIFT OR CONVENIENT SERVICE

While we recommend the Vacation Essentials™ Box as the perfect welcome gift to give your rental guests, another alternative is to purchase the boxes for resale to your guests. We will still provide you with the same hassle-free service and your guests will save time and eliminate unneeded waste. Either way, your guests will appreciate your thoughtfulness.

A COMMUNITY-FOCUSED COMPANY

By partnering with Ende Enterprises, LLC, you will help reduce homelessness among children in the United States. With each order, we will donate a portion of the sale to nonprofits working in this important area. It's our way of giving back to the community.
